## 澳洲 2018 Hesketh Regional Selection Barossa Valley Shiraz 巴羅莎谷希拉茲

區域精選代表了公認的卓越葡萄園和品種組合。

動機是品質，結果是從特定的葡萄園手工釀製的葡萄酒種類繁多，為您帶來每個生長地區的最佳葡萄酒。

### 關於品種

希拉茲 (Shiraz) 是澳大利亞葡萄酒王冠上的明珠-廣泛 (並成功) 種植在一系列地區，小氣候和土壤類型中。希拉茲 (Shiraz) 證明了自己的用途非常廣泛，可以從溫暖的地區生產出醇厚，成熟的漿果，而從涼爽的地方可以生產出精瘦，辛辣的漿果。這種葡萄酒的水果來自巴羅莎山谷兩個主要次區域的三個葡萄園。埃比尼澤和斯通韋爾。以我們最喜歡的經典巴羅莎希拉茲 (Barossa Shiraz) 風格製成 (具有優雅的力量)，此酒經過8天的冷發酵，然後放入10個月的法國Hogsheads酒中熟化。

### 品飲紀錄

- 顏色** | 深墨紅色，帶有紫色邊框
- 香氣** | 散發出黑李子，巧克力和香草的香氣。
- 口感** | 新鮮的紅色和黑色水果，略帶香草橡木味。單寧細，長度長。
- 總結** | 平衡良好的希拉茲，展現出優雅和克制。適合即刻享用，但更推薦8-10年的酒窖

### 產品分析

酒精 | 14.5%

總酸度 | 6.1 g/L

殘糖 | 0.61 g/L

pH值 | 3.49

REGIONAL SELECTIONS

# SHIRAZ

VINTAGE 2018

BAROSSA VALLEY

H E S K E T H  
W I N E S

The Regional Selections represent vineyard & varietal combinations which are recognised for excellence.

The motivation is quality, and the result is a range of wines which are hand-made from specific vineyards to bring you the best of each growing region.

## Background

Shiraz is the jewel in Australia's wine crown – widely (and successfully) planted in an array of regions, microclimates and soil types. Shiraz has proved itself an extremely versatile variety, producing full-bodied, ripe berry examples from the warm regions, and lean, spicy styles from the cool.

Fruit for this wine was sourced from three vineyards across two premier sub-regions of the Barossa Valley; Ebenezer and tonewell. Made in our favourite style of classic Barossa Shiraz (power with elegance), this wine was cool fermented for eight days before being racked into older French Hogsheads for 10 months maturation.

## Tasting notes

- Colour|** Deep inky red with a purple rim.
- Aroma|** Lifted notes of dark plum, chocolate and vanilla.
- Palate|** Generous and ripe without being overpowering. Fresh red and black fruits, with some hints of vanilla oak. Fine tannins and good length.
- Summary|** A well balanced shiraz which shows elegance and restraint. Drinking well now but will reward cellaring of 8 – 10 years.

## Technical

**Alc.|** 14.5%

**TA|** 6.1 g/L

**RS|** 0.61 g/L

**pH|** 3.49
